Happenings at the Hall

## President's Message

Huzzah! It is an exciting time to be a part of the Lenoir County Historical Association with all of the things happening at our beautiful historic home. There are many projects underway designed to enhance the experience of visiting the site. As always let us know how we can better serve you as supporters of the Lenoir County Historical Association.

## Membership

If you have not already renewed your membership for 2022, we would like to encourage you to do so at your earliest convenience. Our nonprofit organization depends entirely on the generosity of donations & any grants we receive to pay for the operations of the home.

## Tours at Harmony Hall

We are in the process of putting together a docent training program in the fall of 2022. If you are interested in being trained as a docent, please let us know as soon as possible so we can add your name on our list.

## **Southern Brunch**

During the month of April, we had our annual Southern Brunch event. It turned out to be a beautiful day with many of our supporters in attendance. Thank you to everyone who was a part of this success as we raised over \$1,000 from this event. Events such as these go a long way towards continuing our mission of preserving the history of Harmony Hall.

## **Fourth of July**

For several years we have hosted a naturalization ceremony on the grounds of Harmony Hall. COVID-19 has put a damper on those plans, including this year. However, this has created an opportunity for us as an organization to celebrate the holiday in a different way. Stay tuned for updates on our Facebook page about what our plans are for the nation's birthday.

## **Social Media**

We have launched a new Facebook page that is in alignment with the updates Facebook has made to their platform. We are encouraging all supporters and members to "like" and share this page so that you can be in touch with the regular happenings at the hall.

## **Colonial Faire**

As part of the exciting projects/plans we have in the works, I would like to offer a colonial faire event mirrored after a Renaissance fair-type of event. We are hoping to host this event this fall and if you are interested in learning more about how you can help, including being a vendor, please let us know.

## **Contact Information**

As always, please contact us with any questions, comments and/or concerns you may have.
